TECHNICAL SKILLS

Languages: TypeScript, Go, JavaScript, SQL

Developer Tools: VS Code, Git, GitHub, Docker, Bruno, TablePlus, Bun, Cursor

Technologies/Frameworks: React, Next.js, Node.js, Express, Go (Gin), Redux, TanStack Query, PostgreSQL, sqlc, pgx, Drizzle ORM, Tailwind CSS, Turborepo, AWS EC2, nginx, GitHub Actions, Vercel, Render, Heroku

Experience

Hobiver

May 2026 – Present

Remote — Finland

- **Full Stack Developer in Express.js & React (May 2026 – Present)**

- Contribute to a production Express.js and React platform, focusing on performance optimization, system reliability, and scalability.
- Improve backend architecture and help keep the system stable under real product traffic (Node.js, Express, React, Redux, PostgreSQL, Docker, Heroku).

Freelance

Aug 2024 – Present

Remote — Nepal

- **Full Stack Developer — Go & Next.js (Aug 2024 – Present)**

- **BrewAndBake:** Built a school management system with a Go/Gin API on AWS EC2 (nginx, SSL, systemd) and a Next.js frontend on Vercel; CI/CD via GitHub Actions.
- **Corel Pharmaceuticals:** Delivered a full stack Next.js client site with CRUD for blogs, testimonials, and products.
- Ship marketing sites, admin dashboards, and full stack apps with auth, payments, and CMS integrations for clients across industries.

Projects

Gym Management System | Go, Gin, PostgreSQL, sqlc, Next.js, Turborepo |

July 2026

- Full-stack gym platform for members, subscriptions, payments, discounts, and admin analytics.
- Go/Gin + PostgreSQL (sqlc) backend on Render; Next.js frontend on Vercel in a Turborepo monorepo with JWT auth and Cloudinary uploads.

NepaliPool | Next.js, TypeScript, Tailwind CSS |

Oct 2025

- Mentor guidance platform helping students prepare to study abroad.
- Shipped a full stack Next.js product to production with responsive UI and content workflows.

SnipVault | Next.js, TypeScript, Tailwind CSS, Stripe |

May 2025

- SaaS for storing and organizing code snippets with Stripe-powered premium plans.
- Built auth, billing, and a clean Next.js UI for managing personal snippet libraries.

Education

Crimson College of Technology

Bachelor of Computer Applications (BCA)

Pokhara University

Butwal, Nepal

Oxford Secondary School

Science (+2)

Apr 2022 – Apr 2024

Butwal, Nepal
